

## Gateway Journalism Review

The 1857 Project

## Claim, Context, Consequences

Analyze the claim, context, and consequences of William Freivogel's essay "The 1857 Project: Extracting the Poison of Racism from America's Soul"

| Central Idea:  |                       |
|--|-----------------------|
|  |                       |
|  |                       |
|  |                       |
| Claim  | What is the evidence? |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
| What is the context (background information that contributes to the meaning and conflict)? |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |
|  |                       |

The 1857 Project

| What are the consequences of the claim (If, then)? |  |
