***Friends***

These are my three friends walking by the old Eliot. We had just gotten our cameras. It shows how Eliot Hine brings us together.

***Corner Tree***

This is the corner by my house. It shows a huge tree in the fall that you see every time you walk by.

***Thunderbird***

This is the thunderbird by our house that is a historic motor vehicle. This picture shows that D.C. has a piece of history here today and it's cool to see.

***Leaves***

This is my sidewalk covered with the leaves. My mom got mad because I hadn't raked yet. You see leaves all around D.C. on the sidewalks.
