

## Finding Better than “Normal” at Home

### Final Project

Instructions: Create a print or non-print product (meme, video, Instagram style post, podcast, 3+ poems, or infographic). This creation should inform about challenges or problems in education, racial justice, or environmental justice before the pandemic, explain how the pandemic intensified this issue, and finally highlight a solution that is happening or something you would like to see happen to fix the problem. This should connect to the community of Chicago. You must include a specific individual, organization, or business. After your project is complete, please reflect on how this art and journalism project has impacted you as a learner.
