Meaning of Civil War

If California could break off from the rest of the country, would you support it?

Do you think a civil war is possible in the U.S.? What would lead to a civil war today?

If California did become its own country, how would you want to see it changed and improved?

Prior Knowledge

Essential Question: How successful was the Freedmen's Bureau in helping African Americans realize their aspirations?

What do you know about the American Civil War? Reconstruction? If not, what does it make you think about?

Make a prediction: What do you think the purpose of the Freedmen's Bureau was?
