3rd Period -NORLAND Underreported Stories

Write your name and Story Selection

Mold is everywhere around the school

Littering in places like our gym. This is a problem because we are not taking proper care of our school grounds.

Random safety hazard

Not Enough Time

Imagine coming from the opposite side of the school and trying to scale these. It's not enough time.

Art painted by students

Briana Hattaway

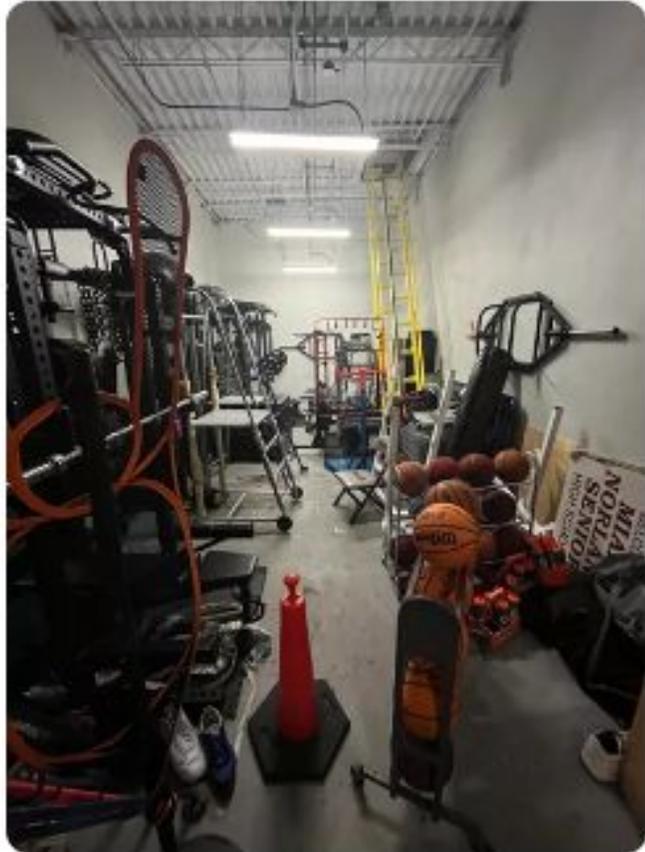

There is never any hand sanitizer

locking student parking lot gate at 7:15

broken water fountain around the school

boys basketball team doesn't have locker room

Inappropriate words posted in the girls bathroom, in the 4th building.

[The
unclean walkways of a B+
school]
