

The following visualizes the process a student in Philadelphia, PA took to create an original website capturing their analyses of the cycle of conflict and peace by analyzing a Pulitzer Center-supported reporting project, a novel, and connections to their own communities.

Gun violence

Home Novel Connection About me

ZFnews.com

Gun violence kills people and hurts families. It needs to stop. We need to eliminate guns!

Photographer Brings Chicago Gun Violence into Sharp Focus

For the last six years, Carlos Ortiz has photographed Chicago's carnage, bringing the city's murderous gang violence into sharp focus. Ortiz grew up in Chicago and was so affected by the young people...

This book talks about how Black people were treated by White people. Black Lives Matter just like all other people's lives matter.

The police stopped Michael Brown because they thought that he was stealing. They did not value him. They stamped him with bullets
