News Outlet: _____

~~Journalist(s):~~ _____

~~Headline:~~ _____

Summary of the article: that ^{40%} queer and transgender people
have been murdered in the years between 2015-2022
and majority are MTF. The death tolls
are rising.

What are three factors that make this article an underreported story?

1. Finds solution to difficult problems and work to make a change in the world
2. Build empathy for group and ideas
3. Raises awareness about important issues that many people know little about.

What words and phrases stood out to you from this article?

89 trans people died ~~in~~ in the first
month of 2021

After reading this article, what questions do you have or what more would you like to learn?

I know some people don't agree with trans people
because how they chose to live their
life but there still people too and people are
killing them because of how they live

The world would be a much better
place if we were all more tolerant
of others.
