Putting it All Together: Summarizing and Synthesizing

Consider the reporting on migration you looked at last week. In each box, write a one-sentence summary of the most important information that source taught you about the migrant experience in America and the world.

Migrants Face Uncertainty...	Dreams Derailed	Group Article
Global Article 1	Global Article 2	Global Article 3

Make three claims about migration based on connections amongst these texts.

Imagine you were writing a synthesis essay using all these texts. What would be your thesis statement?

Now, imagine you have been hired to give a persuasive speech to American teenagers about migration based on your new knowledge. Draft a call to action. What do American teenagers need to do, think, or realize?
