

## Final Project Criteria: Digital Cuento Documentation

1. **Title:** Does the video have a title? How appropriate is it to the documentary?
2. **Introduction:** Is the subject/theme introduced?
3. **Narrative:** Is the narrative/story informative and engaging? Does the narrative have a beginning, middle, and end?
4. **Narration:** Does the narration flow well? Is the narrator's voice used effectively? 5. **Audio Levels:** Is the audio level balanced throughout the video?
6. **Still Images** (photos): Do the images support the narrative? Are they redundant? Are there enough images? Are they on the screen too long, not long enough?
7. **Transitions:** What types of transitions are used? Dissolve, blur, crossfade, pixelate, flip, etc. You may use one or several transitions.
8. **Text:** Is text used appropriately: size, font style, color?
9. **Animation:** pan zoom, pan up, pan down, zoom in, zoom out, etc.
10. **Video Effects:** Use of Video Effects; slow down, speed up, blur, gray scale, etc...
11. **Music:** Is the music appropriate for the documentary?
12. **Video Footage:** Is the video footage paced well? Is the footage shaky? Is it balanced with a combination of still images and video footage?
13. **Graphics:** Do the graphics strengthen the documentation or detract from it?
14. **Credits/ Acknowledgements:** Are credits/ acknowledgements provided? Be sure to credit the course.
15. **Video duration:** 5 mins. Maximum, including credits.
16. **Final Video Submission 12/18:** Upload video to Flipgrid.
