

Op-Ed/Open Letter
Brainstorming Graphic Organizer

Which Pulitzer Center article did you choose to inspire your open letter topic?

What are 2 quotes or facts from the article that you can use as evidence in your own open letter?

What are 1-3 other pieces of evidence you can use to write your piece? These could be facts, anecdotes, quotes from interviews, recent studies, other articles, etc.

In your article, how will you develop the three rhetorical devices we studied?

Ethos:

Pathos:

Logos:

What might someone offer as a counterargument to your opinion? Identify and then skillfully refute their claim logically and/or with evidence.

What is your call to action? Who should take the action, and what is the action?
