
Heat Safety Poster – Before you present, check each box to make sure your poster is complete:

- **Working in Heat Advice**
I included clear, accurate advice and at least one fact/quote from a source.
 - **Real Experience of Workers**
I added specific examples or quotes that show what workers really face.
 - **Compare (Advice vs Reality)**
I explained why it's hard for workers to follow the advice.
 - **Why It Matters**
I showed why this issue is important, including short-term and long-term impacts.
 - **What Should Change**
I suggested realistic solutions and explained why they would help.
 - **Summary Sentence**
I wrote one strong sentence that says what should be done to protect workers.
 - **Visual Design**
My poster is colorful, organized, and uses visuals/icons to make it clear.
 - **Sentence Starters**
I used sentence starters to guide my writing in each section.
 - **Effort & Clarity**
My poster shows effort, is easy to read, and gets the message across.
