Media Coverage and Tone		
Civic Actions		

Guiding Questions for Brief Summary

1. What were the most important similarities or differences between the Wisconsin story and the local story?
 - a. Consider which voting barriers or responses stood out and how they compared
2. Whose voices were highlighted in each story, and how did those voices shape your understanding of the issue?
 - a. Think about the role of community members, leaders, and the media.
3. What actions or solutions were mentioned, and which ones do you think could make a real impact in your community?
 - a. Reflect on what's already happening and what could still be done.
