Equality

Fairness

“Treat everyone  
the way you want  
to be treated.” -  
The Golden Rule

AJ

On the outside we may not look the same but in the inside were the same, and that's what matters the most.

 We are all different, but   
we live together and have  
the same ancestors.

*"I still have a dream, a dream  
deeply rooted in the American  
dream – one day this nation  
will rise up and live up to its  
creed, 'We hold these truths to  
be self evident: that all men  
are created equal. "*

*—Martin Luther King Jr.*

*"People always say  
that I didn't give up  
my seat because I  
was tired, but that  
isn't true... No, the  
only tired I was, was  
tired of giving in."*

*—Rosa Parks*

Every life matters wheather you gay, straight, chubby, skinny, black, asian, white, or anything. My dad always says "Your life is what you make it" Even though some people are still miners, your body is yours.

Nancy B
