

“Crossing Borders:” Exploring the Infographic

Use this graphic organizer to help you examine the data.

Largest Gender Gaps Among Migrants

Refer to the word bank below to help you fill in each table. Once you have identified the countries, identify the gender gap for each.

- | | | |
|-----------|---------------|------------|
| - Canada | - Egypt | - Thailand |
| - Mexico | - Pakistan | - China |
| - Nepal | - Bangladesh | - Germany |
| - Ukraine | - Syria | - Myanmar |
| - Russia | - Kazakhstan | |
| - India | - Philippines | |

Countries Where More Women Than Men Moved Away	
Country	Gender Gap <i>(How many more women than men are moving from this country?)</i>

Countries Where Fewer Women Than Men Moved Away	
Country	Gender Gap <i>(How many fewer women than men are moving from this country?)</i>
