

## FOUND ART PROJECT RUBRIC

<b>POINTS</b>	<b>Creativity/Originality</b>	<b>Effort</b>	<b>Skill</b>
<b>4</b>	Project was well thought out and executed. The Finished piece reflects the student's own ideas/plans.	The student worked hard and completed the project using a level of effort that went past the project requirements.	The art piece is wonderfully done; it was as good as it could be.
<b>3</b>	Project is thought out and executed for the most part but may have small inspirations from classmates.	The student worked hard and completed the project, but with a little more effort it might have been excellent.	The art piece is nicely done; a few more touches would've made it better.
<b>2</b>	Some thought was given to this project though it may have been inspired from other students. Some effort was made to make it look original (changing colors, etc)	The student turned in a completed project that was easily completed or could have been improved with more effort.	The art piece is average, the student might have made some sloppy adjustments that took away from the overall piece.
<b>1</b>	Very little thought was given to this project; most of the project is copied from other students.	The student used minimal effort, incomplete project turned in	Poor workmanship on the finished project and it overall seems sloppy.
<b>0</b>	No thought given to this project, idea is copied from another students	The student used no effort; nothing completed or submitted.	Poor workmanship o an unfinished piece.
