

# Witness Slips Needed

## HB3950

*THIS BILL PASSED UNANIMOUSLY THROUGH THE HOUSE IN APRIL AND IS NOW MOVING THROUGH THE SENATE!*

- Ensures high schools and community college districts work collaboratively to provide eligible students with disabilities access to dual credit with support when needed.
- **Directs community college districts to provide better access to higher education and programming for students with disabilities including for credit and non-credit courses, career and technical education (CTE), vocational training, certificates, and life skills courses.**
- Improves communication about the range of post-secondary options available for students with disabilities.

Classes that teach me how to:

Follow a schedule

Ask for help at work

Stay safe at work

Manage my time at work
