How a single word builds a wall

A border between us

I hate it

I hate the word *other*

It disconnects

Me versus you

I'm in the *we*You are in the *them*

We are united

They are criminals

We belong on stolen land

They flee home - the land we broke

We deserve rights

They are a problem

I am 15

And so are you

Both you and I are human

And yet -

You stand on the other side - the 'wrong' side - of the border
